

# Bee-Go

Choose 24 words from the following list and print one in each hexagon above.

- |          |        |               |        |         |
|----------|--------|---------------|--------|---------|
| Honeybee | Honey  | Wax           | Pollen | Buzz    |
| Flower   | Nectar | Egg           | Larva  | Pupa    |
| Adult    | Wings  | Stinger       | Head   | Abdomen |
| Thorax   | Legs   | Pollen basket | Dance  | Eyes    |
| Insect   | Swarm  | Queen         | Drone  | Worker  |

### Teacher Instructions:

- Create a call sheet using this worksheet. Cut the hexagons and put them into a container
- Give each student 25 pennies or similar objects. They cover the words you call until someone completes the pre-determined pattern. This could be an “X” or a horizontal line. The student who completes the pattern calls out “BEE-GO”.
- Students use the Bee-Go card they have created
